EXECUTIVE SUMMARY

Who we are

Manovra Global Enterprise is a Lagos-based consultancy led by three directors — Nkeonyeasoa Chigbue, Adaora Obikili and Azubuike Osa Afiana — and guided by Advisory Chair Dr Ogonna Nneji. The team brings senior, hands-on experience from compliance, investment banking and risk management in the UK and Nigeria.

NC

Nkeonyeasoa Chigbue

DIRECTOR · COMPLIANCE & FINANCIAL CRIME

A compliance professional with over 15 years' experience in financial crime prevention, AML and risk management across investment banking, oil and gas, and fintech in the UK and Nigeria. She holds a BA in International Relations from the University of Birmingham, an MSc in Public Policy and Management from SOAS, University of London, and a Diploma in Anti-Money Laundering from the International Compliance Association (UK), of which she is a member.

15+ years · AML · Risk Management · ICA Member

AO

Adaora Obikili

DIRECTOR · INVESTMENT BANKING & STRATEGY

A seasoned investment banker with over 18 years in financial services. Adaora has delivered a wide range of complex transactions — including IPOs, secondary market offerings and public and private capital markets deals — alongside strategy consulting engagements across key sectors. She previously worked at Credit Suisse UK in Equity Corporate Finance and the European Energy Group. She holds a BSc in Economics from the University of Warwick and an MBA from the University of Nottingham, and is a member of the Chartered Institute for Securities & Investment (UK).

AA

Azubuike Osa Afiana

DIRECTOR · GOVERNANCE, RISK & COMPLIANCE

A COSO-certified risk management professional specialising in Governance, Risk and Compliance (GRC) and Enterprise Risk Management (ERM). A certified project manager, he has led engagements including ERM framework reviews, risk management policy reviews and Board risk evaluations. He is a member of the Global Association of Risk Professionals (GARP) and the Professional Risk Managers' International Association (PRMIA), and holds a BEng & MEng in Chemical Engineering from Imperial College London.

COSO Certified · ERM · GARP · PRMIA

ON

Dr Ogonna Nneji

ADVISORY CHAIR · RISK ADVISORY

A risk advisory expert with a PhD in Finance, Dr Nneji leads the Risk Advisory Unit at Albourne Partners, a premier global investment advisor. His expertise includes Monte Carlo simulation, providing valuable insight for forecasting risks and returns on client portfolios.

PhD Finance · Albourne Partners · Monte Carlo

PROPOSED SOLUTION

What we deliver

We deliver practical soft-skills training through real-world case studies and interactive workshops. Clients choose from eight focused courses:

01 Productivity, Time Management & Prioritisation

02 Handling Conflict

03 Mental Health Management

04 Teamwork

05 Networking

06 Emotional Intelligence

07 Resilience

08 Communication

How every course runs

1. **Ice-breakers** to open the session and get everyone engaged
2. **Focused, targeted content** built around the specific skill
3. **Real-life case scenarios** relevant to participants' work
4. **Interactive workshops** to practise each skill in the room
5. **Hands-on tasks and projects** that embed the learning

The benefits

- Exemplary leadership and confident, energetic communication
- Greater managerial efficiency
- Stronger teamwork and time management
- Sharper problem-solving
- Enhanced creative and analytical thinking
